

## **INTRODUCTION**

### **About Us**

The Nebraska High School Theater Academy (NHSTA) is an education program produced by Omaha Performing Arts, the largest arts institution in Nebraska. In addition to presenting Broadway, jazz, dance, and other professional touring shows at the Orpheum Theater and the Holland Center, education and community engagement is central to our mission. Our education offerings take the performing arts beyond our venues and into classrooms across Nebraska. To learn more visit [O-pa.org/Learn-and-Engage](http://O-pa.org/Learn-and-Engage).

### **Program Mission**

The Nebraska High School Theater Academy is designed to:

- *Celebrate* the artistic achievements of teachers and students involved in theater
- *Support* schools by providing high-quality learning, performing and creative experiences for students
- *Advocate* for the importance of theater education in Nebraska middle schools and high schools

### **History**

Omaha Performing Arts launched the Nebraska High School Theater Academy (formerly the Nebraska High School Theatre Awards) in 2013 with an inaugural group of 22 Omaha-area high schools. Over the past several years NHSTA has evolved into a statewide network that connects high schools and middle schools with a wide variety of theater education resources. Last year, the program expanded its reach over 450 miles to serve 85 schools. This season, the NHSTA program will accept up to 75 high schools and 15 middle schools across Nebraska.

### **How It Works**

Schools are invited to register for the program each fall. Once a school is registered, students and teachers receive exclusive access to a catalogue of learning opportunities, including:

- **Master Classes** – register students to participate in classes (in-person and/or digital) focused on acting, dance, audition technique, and technical theatre led by Broadway professionals (reimbursement for busing available for schools in need).
- **In-School Workshops** – request a professional theater artist to visit your classroom and lead a workshop on a topic of your choice.
- **Adjudication** – have a team of performing arts professionals attend your musical, play or one-act to provide written or oral feedback.
- **Broadway Tickets** – be notified when free or discounted tickets to Broadway touring shows are available.
- **Digital Learning** – schedule interactive discussions with industry professionals through the Broadway League’s Broadway Speakers Bureau. Browse our catalog of current digital offerings including past master classes and workshops with Broadway Artists, Wednesday Warmups, Backstage Tours and more at [www.o-pa.org/online](http://www.o-pa.org/online).
- **Awards** – have your musical considered for awards as a part of the adjudication process and encourage students to apply for awards honoring excellence behind-the-scenes.
- **Showcase** – join us for the annual Tony Awards-style celebration at the Orpheum Theater featuring student performances, awards, and much more (free housing and meals provided to students in need).
- **National High School Musical Theatre Awards** – students can audition to compete at the Broadway League’s national Jimmy Awards in NYC (all expenses paid).

All learning opportunities are optional and included at no additional cost to registered schools. This handbook contains detailed information about the NHSTA program. Please note that all details are subject to change – this handbook is designed for school planning purposes and all details, events, and schedules are subject to change.

### **Primary Contact**

Each school must identify a primary contact person on the online registration form or invoice. The primary contact should have regular access to phone and email as all major correspondence regarding the program will be directed to this person. It is the primary contact's responsibility to pass on all program information to students, parents, and their school community.

### **Time Commitment**

Omaha Performing Arts knows that many hours of hard work go into teachers' days! One of the goals of NHSTA is not to create additional work for teachers, but to provide visibility for the work that is already being produced. During the school year, there is little additional time commitment from teachers other than communicating information from Omaha Performing Arts staff to students and vice versa.

### **Assessment**

Teachers and students will be asked to complete printed or electronic surveys following certain program activities. O-pa may also request letters of support and testimonials. Surveys will evaluate participants' experiences and aid in the development of future program activities. O-pa also hosts an annual feedback meeting and reception for teachers each summer.

### **Teacher Advisory Committee**

The NHSTA teacher advisory committee meets 2-3 times a year to provide feedback and help determine the future of the program. Meetings will take place in-person at the Holland Center and/or via conference call. To become a member of this committee for the 2022/2023 school year and receive more information email us.

### **Publicity & Social Media**

One of the goals of NHSTA is to enhance visibility of participating schools' performing arts programs. Omaha Performing Arts may share post-production photos and show information from participating schools on the Nebraska High School Theater Academy website and social media sites. O-pa may also share show information with local media personnel. We want to help promote the great work you're doing with your students!

You can email us stories, photos, and videos to for us to share out. Omaha Performing Arts also encourages schools to announce their participation in the Nebraska High School Theater Academy in school newspapers, websites, social media sites, newsletters, and other materials produced or distributed by the school.

Completed forms can be submitted via email, fax, or mail. Contact us for a copy of the media release form or download a copy on our website.

### **Participation Statement**

## **LEARNING OPPORTUNITIES**

The Nebraska High School Theater Academy offers a variety of learning opportunities that are exclusively available to participants. Opportunities run throughout the year – contact us with questions!

### **Broadway Master Classes**

Master classes focus on musical theater-style dance, audition techniques, acting, vocal music, stage combat, technical theater and more. These can be held digitally or in-person. Pre-registration is required to participate – we'll notify you once it opens on our website (approx. 1 month prior to the class).

### **In-School Workshops**

To ensure that schools across the state have access to NHSTA learning opportunities we bring Broadway teaching artists on tour to classrooms throughout Greater and Western Nebraska. Information on workshop tour dates coming soon! Contact us at [NHSTA@o-pa.org](mailto:NHSTA@o-pa.org) to request a workshop at your school.

### **Distance Learning**

The Broadway Speakers Bureau offers interactive distance learning seminars to share information about non-performance careers in the arts (producing, general management, marketing, press, stage management, etc.) with schools around the country. Speakers include award-winning professionals associated with many successful Broadway shows such as *WICKED*, *BILLY ELLIOT*, *FOLLIES*, *RENT* and more. Panelists conduct discussions from a New York City studio via distance learning video conferencing. These seminars are live (not taped), and students are encouraged to ask questions of the speakers. The Broadway Speakers Bureau discussions are produced in partnership with The Broadway League. The Broadway League is happy to arrange individual distance learning opportunities on a variety of requested topics for participating NHSTA schools upon request. For more information or to schedule a seminar, please email us!

### **Free and Discounted Tickets**

Free and discounted tickets to touring Broadway shows at the Orpheum Theater are distributed to NHSTA students and teachers before any other group when available. Free tickets are distributed on a first come, first served basis. If free tickets are available, O-pa staff will email participating schools with more details on the ticket reservation process. Discounted tickets are also available through the following programs:

#### **Group Sales**

Discounted tickets are available through Omaha Performing Arts Group Sales Department. Student Rush tickets can only be purchased beginning 90 minutes prior to the performance. Don't forget your student ID! The limit is two per student and all tickets are subject to availability. Tickets may be purchased in person only at the box office of the venue in which the performance will be held. More information on Student Rush discounts is available at [o-pa.org/studentrush](http://o-pa.org/studentrush).

### **Additional Resources**

Broadway study guides, lesson plans, and other resources are available for download on our website.

## **ADJUDICATION**

O-pa has hired performing arts professionals from across the region to serve as NHSTA adjudicators and provide educationally focused feedback on participating schools' musicals, plays, and one-acts. Adjudication (like all of our learning opportunities) is optional, and there are various ways to take advantage of this resource at your school. There are 3 adjudication options to choose from (you can choose one or all 3)!

### **Option #1: Written Feedback**

Receive written feedback from adjudicators on your musical, play, and/or one-act. Feedback is designed to function as an educational tool, not strictly a review or critique.

#### **→ HOW IT WORKS:**

- 1) Complete Production Information Form:** If you provided show information as a part of your online registration form, O-pa staff will email you a production information form for you to complete/email back to us. Didn't include show information on your registration form, but want to receive written feedback? Please contact us and we'll send you a blank production information form to complete. We will need to receive your completed production information form at least 4 weeks before your show opens to assign adjudicators to your show!
- 2) Reserve Tickets:** Once we receive your form, we'll schedule up to 3 adjudicators to attend your production and email you the dates/time adjudicators plan to attend. Please be prepared to hold up to 6 tickets under the name "O-pa Adjudicator" (2 per adjudicator x up to 3 adjudicators). Please note that the adjudication panel may or may not attend the same performance – tickets should be held for the performance date/time requested by O-pa staff.
- 3) Receive Feedback:** Adjudicators will submit written feedback to O-pa staff within 5 business days of attending your show. O-pa staff will proof feedback to ensure quality and consistency. O-pa staff will email you the final, proofed feedback approx. 2 weeks after the show.

### **Option #2: Written Feedback & Scores**

In addition to receiving written feedback, you can request to have your production scored for awards. Scores are confidential and only used to help adjudicators determine winners at the end of the year. A scoring rubric and evaluation criteria are available upon request.

- HOW IT WORKS:** This option is currently only available to middle school and high school musicals that take place between September 15, 2022 and May 7, 2023. To choose this option, simply follow the same process for requesting written feedback above. As long as your school meets the eligibility requirements and gone through the process for requesting written feedback your production will be scored and in the running for adjudication-based awards.

### **Update on Preshow Evaluation**

Schools can still request to have a professional adjudicator provide oral feedback on their musical, play, or one-act at any point in the rehearsal process.

- HOW IT WORKS:** Schools are responsible for scheduling preshow evaluations. For a full list of preshow evaluators, their contact information, and area of expertise please email us. (Please note that preshow evaluations are an extra learning opportunity and are not connected to the formal adjudication process).

### **Confidentiality**

Written feedback and scoring will be submitted through a secure online form. Unless you've booked a pre-show evaluation, please note that adjudicators will not provide oral critiques, nor should schools expect to receive scores. Please do not contact adjudicators with questions – all inquiries should be directed to O-pa staff.

## Videos

Beginning this year, we are asking that all schools who wish to be considered for awards (i.e. anyone whose musical receives written feedback and scores) make best efforts to **submit an archival video for O-pa to keep on hand in case of ties**. Omaha Performing Arts will contact Licensing Houses for the rights to record the production. Let us know if you have any questions.

## SHOWCASE

Each year, Omaha Performing Arts presents a Tony Awards® inspired showcase to honor and celebrate participating schools and students. **The tenth annual Nebraska High School Theater Academy Showcase will take place at The Orpheum Theater on Sunday, June 4, 2023.** Students, faculty, and staff from participating high schools are encouraged to attend – stay tuned for information on specific award requirements, showcase week details, tickets, this year’s Broadway creative team/host, and more!
