### Tenaska Center for Arts Engagement Breaks Ground

The Tenaska Center broke ground on October 11, 2023, and will open in March 2026. It will provide additional rehearsal, workshop, and classroom spaces for O-pa's expanding education and community engagement programs. Thank you to Rhonda and the late Howard Hawks, Tenaska, donors, community partners, the City of Omaha, and the State of Nebraska for making this growth possible.

Special thanks to Tenaska Center Campaign Chairs Mike Cassling and Meg Dodge, Building Committee Chair Rodrigo López, and our project partners: Ennead Architects, Holland Basham Architects, Fisher Dachs, Threshold Acoustics, Kiewit Building Group, and TRI Project Solutions.

### Introducing the Dick & Mary Holland Campus

On April 30, 2024, we announced that the Holland Center, Steelhouse Omaha, and the upcoming Tenaska Center for Arts Engagement now comprise the Dick & Mary Holland Campus, honoring the couple's vision and generous support for the arts and arts education.
