Add a little magic to your school with Disney Musicals in Schools, an initiative of Omaha Performing Arts (O-pa) that ignites a passion for storytelling by building sustainable musical theatre programs in Nebraska and Iowa public schools.

By providing free performance materials and free professional development to participating schools, Disney Musicals in Schools has helped schools across the US and UK launch new theater programs, inspiring the next generation of diverse storytellers, artists, and audiences.

Up to five schools will be selected to participate in the 2026/2027 school year **free of charge**. Any Omaha metro, Lincoln and Western Iowa public elementary or middle school with a great need for the program, has a Title I status or has a free/reduced lunch rate of 40% or greater is eligible to apply, but hurry—the application deadline is **Friday, April 24, 2026.**

The goals of Disney Musicals in Schools are to:

1. Create sustainable musical theatre programs in public elementary and middle schools.
2. Provide school faculty with the training and tools necessary to support student performance and production, and to empower them to do so.
3. Develop a critical awareness and appreciation of the arts within the school.
4. Develop a strong community, including students, parents, faculty, staff, and neighbors.
5. Expose students and school faculty to the wide spectrum of skills that are developed when producing a piece of musical theatre, including critical thinking, problem solving, ensemble building, communication, self-confidence, and interpersonal skills.

Disney Musicals in Schools presents a special opportunity to introduce the collaborative art of musical theatre to your school, strengthen your arts programming, and develop partnerships among students, faculty, staff, and the greater community.

Please note: Recipient schools will receive various levels of support over a period of three years. Since the goal of the program is to build sustainable theater programs, applications from schools that have participated in the program in the last five years will not be considered.
